MANAGEMENT DISCUSSION & ANALYSIS REPORT

INDUSTRY OVERVIEW

The Indian economy is witnessing signs of restoration and so is the power sector. The transformer market which had more than doubled manufacturing capacity over the last five years anticipating huge domestic and overseas demand is suffering from overcapacity. However, a shift in the Government of India's focus to strengthen the power T&D system opens up abundant opportunities for the transformer markets. The Indian transformers market has been in the forefront for over five decades and has a well-matured technology base up to the 800 KV class. With increasing demand for reliable power in the country, the power transformers market is witnessing a growth trend.

INDIAN TRANSFORMER INDUSTRY

"The Indian economy is witnessing a restoration and so are the electrical industry and its various segments including the transformer industry. High demand arising from the energy intensive oil and gas, and cement segments has buoyed prospects for the Indian power transformer market. Developments in the power sector will have huge ramifications for the Indian transformer industry.

The Government of India is encouraging investments at the T&D level to increase access to reliable power supply and reduce technical and commercial losses in the system through schemes such as Revised Accelerated Power Development and Reform Program (R-APDRP) and Rajiv Gandhi Grameen Vidyutikaran Yojana (RGGVY). The R-APDRP scheme aims to bring down the Aggregate Technical and Commercial (AT&C) losses in the T&D network. This entails huge investments in the T&D sector including use of energy efficient transformers, besides renovation, modernization, restructuring and up gradation of the T&D infrastructure. Evidence points to a conscious effort to upgrade the grid voltages to 765 KV to minimize the transmission losses and the corridor width. Major participants are gearing up their manufacturing facilities to this changing paradigm with MNCs bringing technology from their parent companies, while local participants are obtaining the technology through acquisition and technology transfer. The Bureau of Energy Efficiency (BEE), Ministry of Power, is actively working to ensure that quality products are procured by the electricity boards and has accordingly stipulated mandatory star rating for distribution transformers. Distribution transformer procurement for R-APDRP is likely to be set at a minimum of 3 star rating. A large number of distribution transformer manufacturers have already applied to BEE for acquiring star ratings."

BUSINESS OVERVIEW

Your Company is currently engaged in the areas of manufacturing, rehabilitation, up-gradation and refurbishment of transformers ranging from Power & Distribution Transformer, Industrial Transformer, Furnace Duty Transformer, Electric Locomotive Transformer, Electric Traction Substation Transformer, Dry Type Transformer, Potential Transformer, and Special Purpose Transformers. We are one of the few players in Indian markets manufacturing & repairing power & distribution transformers, focusing on quality, timely delivery and customization based on our engineering capabilities without any third party collaboration or technical assistance.

In India many players belong to the unorganized segment of the Industry and cater to small ratings distribution transformer's demand. However, over a period of time many of these small players moved up the value chain and graduated to the higher rating transformers. Despite this, the number of players qualified for the larger variants of transformers is still small to serve upcoming demand expected over forthcoming years.

DISCUSSIONS ON RESULTS OF OPERATIONS

During the financial year 2013-14, your Company has achieved Total Turnover of ₹ 4255.60 Lacs and has incurred Net Loss of ₹ 1212.13 Lacs.

The Company has net worth of about ₹ 5631.08 Lacs as on March 31, 2014.

The Company has incurred losses during the year, mainly due to the following reasons:

- (a) Due to the ongoing capital expansion at Wada unit of the Company, production facilities were not undertaken to the extent of available capacity.
- (b) Due to the qualification criteria laid down by the utilities, who happen to be main customers of the Company, the Company has to go for orders at cost or lower to enable the Company to participate in future tenders of utilities.
- (c) The nature of business is working capital intensive and we mainly deal with State Electricity Boards which are known for delayed payments. As payments are blocked with SEBs, there is need to borrow for short term to carry on operations, which impacts our profitability as high interest payments are to be made.

FUTURE OUTLOOK

As the number of competitors in the higher range of power transformers manufacturing is very small, the board still foresees a bright future for the Company. However, the targeted profitability will be achieved only after the Company meets the minimum qualifying criteria set up by various utilities who happen to be our main customers.

RISK & CONCERNS

Our future results of operations could potentially be affected by the following factors:

- Our ability to manufacture transformers as per the requirement of our clients;
- Our ability to continuously operate and maintain our manufacturing facilities optimally;
- Our ability to continue to source raw material at competitive rates;
- Our ability to manufacture transformers using the latest technologies in terms of modern materials, components and processes.
- Our ability to generate working capital funds at reasonable interest rates.

HUMAN RESOURCES

Your Company strongly believes that employees are central to the Company's transformation agenda and that it is important to build capabilities of employees to handle both current and future needs. During the year, the Company continued to work on identifying the needs of employees across all categories and level. The Company has built a strong team of highly qualified and competent professionals to meet the emerging business challenges and market competition.

INTERNAL CONTROL AND ITS ADEQUACY

The Internal audit was carried out by firm of Chartered Accountants who conduct the audit on the basis of Annual Audit Plan. The process includes review and evaluation of effectiveness of the existing process, controls and compliance. It also ensures adherence to policies and systems, and mitigation of the operational risks perceived for each area under audit. Significant observations including recommendations for improvement of the business processes were reviewed by the Management before reporting to the Audit Committee which reviewed the Internal Audit procedures, findings and status of implementation of the agreed action plan.

CAUTIONARY STATEMENT

Statements in the Management Discussion and Analysis Report, describing the Company's objectives, projections and estimates, are forward-looking statements and progressive within the meaning of applicable securities laws and regulations. Actual results may differ materially from those expressed in the statement. Important factors that could influence the Company's operations include global and domestic demand and supply conditions affecting selling prices, input availability and prices, changes in government regulations, tax laws, economic developments within the country and other factors such as litigation and industrial relations.

**INDEPENDENT AUDITORS' REPORT**

Auditor's Report to the Members of TARAPUR TRANSFORMERS LIMITED,
Mumbai

Report on the Financial Statements

We have audited the accompanying financial statements of **TARAPUR TRANSFORMERS LIMITED** ("the Company"), which comprise the Balance Sheet as at 31st March, 2014, the Statement of Profit and Loss and the Cash Flow Statement of the Company for the year ended and a summary of the significant accounting policies and other explanatory information, Which we have signed under reference to this report.

Management's Responsibility for the Financial Statements

The Company's Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting Standards notified under the Companies Act, 1956 of India (the "Act") read with the General Circular 15/2013 dated 13th September, 2013 of the Ministry of Corporate Affairs in respect of Section 133 of the Companies Act, 2013. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing and other applicable authoritative pronouncement issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers the internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Management, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the accompanying financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- (a) in the case of the Balance Sheet, of the state of affairs of the Company as at 31st March, 2014;
- (b) in the case of the Statement of Profit and Loss, of the loss of the Company for the year ended on that date, and
- (c) in the case of the Cash Flow Statement, of the cash flows for the year ended on that date

**NOTES TO FINANCIAL STATEMENTS****I. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES –**

- A. Basis of Preparation of Financial Statements:** The financial statements are prepared as per historical cost convention and in accordance with the generally accepted accounting principle in India, the provisions of the Companies Act, 1956 and the applicable accounting standards issued by the ICAI.
- B. Use of Estimates:** The preparation of financial statements requires use of estimates and assumptions that affect the reported amount of assets and liabilities on the date of the financial statement and the reported amount of revenues and expenses during the reporting period. Differences between the actual results and the estimate are recognised in the period in which the same are known / materialised.
- C. Fixed Assets:** Fixed Assets including Leasehold Land are recorded at cost. The Company capitalises all costs relating to Fixed Assets acquisition and installation and other financial cost till commencement of commercial Production. The Company has stated its Fixed Assets net of CENVAT/Value Added Tax.
Expenses incurred relating to Pali Unit prior to commencement of commercial production are classified as project development expenditure and disclosed under Capital work in progress which will be subsequently allocated to the relevant fixed assets on pro rata basis depending on the prime cost of Assets of Pali Unit.
- D. Borrowing Costs:** Borrowing costs attributable to the acquisition or construction of qualifying assets are capitalized as part of cost of such asset is ready for its intended use. All other borrowing costs are charged as Revenue Expenditure.
- E. Depreciation/ Amortisation**
- Depreciation on additions to Assets is calculated Pro-rata from the date of such additions and similarly on deletion from assets is calculated pro rata upto the date of deletion. Depreciation in the case of uninstalled Fixed Assets has not been provided.
 - Depreciation on Assets in Boisar Unit has not been provided as the production was suspended for the entire year therein.
 - Depreciation on assets except to the extent stated in (a) and (b) above, has been provided at the rates and in the manner prescribed in schedule XIV to the Companies Act, 1956 on Straight Line Method and in accordance with the provisions of Section 205(2) (b) of the Companies Act, 1956.
 - Depreciation on assets, whose actual cost does not exceed Rupees Five Thousand each, has been provided @ 100% p.a.
- F. Inventories**
- Inventories are valued at lower of Cost or Net Realizable Value.
 - Work in Progress is valued at Cost Plus estimated value of overheads. As on 31st March, 2014, the work in progress is not more than the corresponding order value.
 - Finished Goods are valued at Cost or Net Realizable Value whichever is lower.
 - Packing material and Stores and Spares purchased are written off as expenses in the year of purchases.
 - NRV is the estimated selling price in the ordinary course of business.
- G. Impairment of Assets:** An asset is treated as impaired when the carrying cost of assets exceeds its recoverable value. An impaired loss is charged to Profit and Loss Account in the year in which an asset is identified as impaired.
- H. Foreign Exchange Transactions**
- Foreign Currency Transactions are expressed in Indian Currency at the rates prevailing on the date of transaction. All the Foreign Currency Liabilities / Assets as at the Balance Sheet date are restated at the applicable exchange rates prevailing at that date.
 - Exchange differences arising on repayment of liabilities incurred for the purpose of acquiring fixed assets are adjusted with the carrying amount of the respective fixed assets.
- I. Accounting of Cenvat Transactions:** CENVAT benefit is accounted for on accrual basis on purchase of material & assets and incurring of expenses and appropriated against payment of Excise Duty on clearance of Finished Goods.
- J. Taxation:** Tax expenses for the year comprise of current tax and deferred tax. Current tax is measured after taking into consideration the deductions and exemptions admissible under the provision of Income Tax Act, 1961 and in accordance with Accounting Standard 22 on "Accounting for Taxes on Income", issued by ICAI.
Deferred Tax assets or liabilities are recognized for further tax consequence attributable to timing difference between taxable income and accounting income that are measured at relevant enacted tax rates. At each Balance Sheet date the company reassesses unrecognized deferred tax assets, to the extent they become reasonably certain or virtually certain of realization, as the case may be.
As ascertained by the Management of the company, there is no virtual certainty that future taxable income as per the Income Tax Act, 1961 may be available to offset current year's unabsorbed depreciation & business losses under the Income Tax Act, 1961. As per Para 17 of the Accounting Standard 22 : – Accounting for Taxes on Income, where an enterprise has unabsorbed depreciation or carry forward of losses under tax laws, deferred tax assets should be recognized only to the extent that there is virtual certainty supported by convincing evidence that sufficient taxable income will be available against which such deferred tax asset can be realized.
- K. Recognition Of Income And Expenditure**
- Incomes & Expenditures are generally accounted on accrual as they are earned or incurred except Interest on taxes and duties which are accounted on payment basis or at the time of assessment, whichever is earlier.
 - Sales are accounted net of Sales Discounts, rebates, etc., if any returns and also Excise Duty and Service tax, VAT and Sales Tax.
 - Packing Material and Stores & Spares purchased are written off as expenses in the year of purchase.
 - Imports are recognised on presentation of Bill of Entry at the Customs or on retiring the Import document whichever is earlier.
 - Dividend Income is recognised when the right to receive the dividend is unconditional.
- L. Employee Retirement Benefits**
- Provident Fund is a defined contribution scheme and the Company's contribution to Provident Fund is charged to Profit & Loss Account.
 - Retirement Benefits in the form of Gratuity and Leave Encashment which are defined benefit plans are determined and accrued on the basis of an independent actuarial valuation and are recognized in Profit & Loss account.
 - Short Term Employee Benefits are recognised as an expense in the Profit & Loss account for the year in which the related service is rendered.

35. Term Deposit Receipts wherever obtained are endorsed in favor of Banks and Government Departments against Bank Guarantee, L/C Facility etc.

36. Disclosure pursuant to adoption of accounting standard 15

Gratuity liability for the year is determined on actuarial valuation by the Life Insurance Co of India with whom the company has taken a policy for the settlement of future liability.

37. Some of the Creditors / Debtors / Loans / Advances are subject to Confirmations and resultant reconciliation, if any.

38. The Company has not received any intimation from the suppliers under the Micro, Small & Medium Enterprises Development Act 2006 & therefore disclosures, if any relating to amounts unpaid as at the year end together with interest paid/payable as required under the said Act have not been given.

39. In terms of the requirements of the Accounting Standards-28 on "Impairment of Assets" issued by the Institute of Chartered Accountants of India, the amount recoverable against Fixed Assets has been estimated for the period by the management based on present value of estimated future cash flows expected to arise from the continuing use of such assets. The recoverable amount so assessed was found to be adequate to cover the carrying amount of the assets, therefore no provision for impairment in value thereof has been considered necessary, by the management.

40. As per the best estimate of the management, no provision is required to be made as per Accounting Standard (AS) 29 "Provision, Contingent Liabilities & Contingent Assets" as notified by the companies (Accounting Standards) Rules 2006, in respect of any present obligation as a result of a past event that could lead to a probable outflow of resources which would be required to settle the obligation.

41. As at 31st March, 2014, IPO proceeds have been utilised as stated below. The utilisation of fund was as amended and ratified by the shareholder in the AGM held on 30th August, 2011.
