Statement pursuant to Section 102(1) of the Companies Act, 2013, as amended ('Act')

Item No. 3

In view of the aforesaid Proposed Transactions, the Company may have to render support for the business requirements of its subsidiary companies or associate or joint venture or group entity or any other person in whom any of the Director of the Company is deemed to be interested (collectively referred to as the "Entities"), from time to time. Hence, the Board seeks consent of the Members by way of a Special Resolution pursuant to Section 185 of the Act for making loan(s) or providing financial assistance or providing guarantee or securities or letter of support or letter of comfort in connection with the loans taken or to be taken by the Entities as may be required by the Entities from time to time for the expansion of its business activities and other matters connected and incidental thereon for their principal business activities.

The Members may further note that, in order to confirm and ratify the loan(s) and/or financial assistance, if any, already provided by the Company to the Entities, the Board proposes to seek the approval of the Members by way of a Special Resolution under Section 185 of the Act. Such ratification is being sought in respect of the transactions already undertaken by the Company and shall be subject to the applicable provisions of the Act and other applicable laws.

The Members may note that the Board of Directors thereof would carefully evaluate proposals and provide such loan, guarantee or security through deployment of funds out of internal resources/accruals and/or any other appropriate sources, from time to time, only for principal business activities of such Entities.

MANAGEMENT DISCUSSION & ANALYSIS REPORT

INDUSTRY OVERVIEW

The transformer distribution industry in India remains crucial for delivering electricity efficiently to end-users, playing a vital role in electrifying every household and village. The Indian government's push to provide quality power through schemes like DDUGJY, IPDS, RAPDRP, and Saubhagya has significantly increased the demand for distribution transformers. Additionally, the Department of Heavy Industry's holistic Mission Plan, supported by IEEMA, aims to bolster the domestic electrical equipment sector, including transformers and other related equipment. Government initiatives such as UDAY, designed to financially stabilize power distribution companies, have accelerated infrastructure upgrades and refurbishment of existing T&D networks. These efforts are addressing issues across the country, from the remotest villages to urban centers, thereby sustaining high demand for transformers, which are essential for effective energy distribution.

The transformers industry in India is poised for significant growth, driven by increasing demand for electricity, government initiatives, and advancements in technology. India is one of the largest markets for transformers, supported by its extensive power generation and distribution network. The industry encompasses a wide range of products, including power transformers, distribution transformers, and special purpose transformers, catering to various sectors such as utilities, industrial, commercial, and renewable energy.

SWOT (STRENGTH, WEAKNESS, OPPORTUNITIES AND THREATS)

STRENGTHS:	1.Presence from multiple years 2.Strong Brand Name
WEAKNESSES:	1.Dampened sales in few years 2. Frequent change in directors
OPPORTUNITIES	1.Growing economy 2.Growing Infrastructure and growing demand company's products
THREATS:	1. Volatile market 2.Volatile management

SEGMENT WISE PERFORMANCE OR PRODUCT-WISE PERFORMANCE:

During the Financial year 2025-2026, your Company has achieved Total Income of Rs. 139.75 Lacs and has incurred Net Loss of Rs (248.11) Lacs.

Company operates in segment of Manufacturing of Transformers. Company has a very wide range of distribution and power transformers varying from Single Phase Transformers, 3 phase Transformers, Power Transformers, Extra High Voltage Transformers, Special Purpose Transformers catering to various Electricity Boards of Maharashtra. The Company supplies through direct orders from Distribution Company and also through major private contractor companies.

OUTLOOK FOR THE COMPANY:

The transformer market in India has been stable for quite some years now. The market is expected to witness healthy growth rates and stimulating demand for the coming years.

RISK & CONCERNS:

The major risk factors affecting the Company are over capacity in industry, non-lifting of ready materials due to cash constraints at customers' end building inventory and liquidity issues, increase in receivable positions due to delay in payment by certain customers, uncertainty in execution of low fixed price orders. The wide fluctuation of rupee against US Dollars also affects margin since the key raw materials, viz. copper, transformer oil, special steels for lamination, etc., are of import origin. Our future results of operations could potentially be affected by the following factors:

- Our ability to manufacture transformers as per the requirement of our clients;
- Our ability to continuously operate and maintain our manufacturing facilities optimally;
- Our ability to continue to source raw material at competitive rates;
- Our ability to manufacture transformers using the latest technologies in terms of modern materials, components and processes.
- Our ability to generate working capital funds at reasonable interest rates.

HUMAN RESOURCES AND INDUSTRIAL RELATION:

The company has maintained very harmonious & cordial Industrial relations. There is continuous emphasis on development of human resources through training. The issues pertaining to workers are resolved in harmonious and in cordial manner through regular interactions. We believe whatever we achieved from where we started our journey long back is the result of efforts of our team. So, we consistently aim to provide a sustainable environment for learning right from the stage of recruitment to retention.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY:

The company has adequate internal control system commensurate with the size of the operations by a Company. The Audit committee periodically reviews the implementation of management policies to ensure that transactions have been accurately recorded and promptly reported.

OPINION

- a. In our opinion and to the best of our information and according to the explanations given to us, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the above-mentioned Listing Regulations.

I further report that the Company has not complied with the provisions of the below-mentioned SEBI (LODR) Regulations, 2015: -

- a. The Company was not in compliance with Regulation 6(1) of the SEBI (LODR) Regulations, 2015 due to non-appointment of a qualified Company Secretary as the Compliance Officer during the relevant period. Consequently, the Stock Exchange imposed a fine of ₹50740/- (including GST) on the Company for the said non-compliance. The Company subsequently appointed a qualified Company Secretary as the Compliance Officer w.e.f. 13th November 2025 and paid the aforesaid fine. Accordingly, the non-compliance has been rectified.
- b. The Company did not comply with Regulation 23(9) of the SEBI (LODR) Regulations, 2015 regarding timely disclosure of Related Party Transactions in the prescribed format. Consequently, the Stock Exchange imposed a fine of ₹5,900/- on the Company, which was subsequently paid and the requisite disclosure was filed.
- c. The Company did not maintain a functional website during the review period and accordingly did not comply with Regulation 46.
- d. The Company fails to comply with Regulation 3(5) & 3(6) SEBI (Prohibition of Insider Trading Regulations, 2015.
- e. The Company has not received the declaration from its promoters as required under Regulation 31(4) of the SEBI (SAST) Regulations, 2011, confirming that no encumbrance has been created on the shares held by them.
- f. The Company has delayed the filing and registration of certain statutory e-forms with the Registrar of Companies, Mumbai. The said forms were subsequently filed with the applicable additional/late filing fees.
- g. The Company had not appointed an Internal Auditor as required under Section 138 of the Companies Act, 2013 during the review period.

TARAPUR

TRANSFORMERS LTD

- h.* Under Section 11C (3) / 11C (5) of the SEBI Act, 1992, SEBI has issued a Summons to the company and the directors to produce the documents before the Investigating Authority.
- i.* The Company received a notice dated 29 July 2026 from the Office of the Regional Director, Western Region, Ministry of Corporate Affairs, pursuant to an investigation ordered under Section 210(1)(c) of the Companies Act, 2013, seeking information and records relating to the affairs of the Company for the period from 1 April 2018 to 31 March 2026. As on the date of this Report, the investigation is pending and no final findings or order have been communicated to the Company. Accordingly, the final outcome of the investigation cannot be commented upon at this stage.
- b.* I further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

TARAPUR TRANSFORMERS LTD

INDEPENDENT AUDITORS' REPORT

**TO THE MEMBERS OF
TARAPUR TRANSFORMERS LIMITED,
Report on the Audit of the Ind AS Financial Statements**

Opinion

We have audited the accompanying Ind AS Financial Statements of **TARAPUR TRANSFORMERS LIMITED** (*"the Company"*) which comprises the Balance Sheet as at 31st March 2026, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and statement of cash flows for the year then ended, and notes to the Ind AS Financial Statements, including a summary of significant accounting policies and other explanatory information (together referred to as 'Ind AS Financial Statements').

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS Financial Statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2026, and its profit including other comprehensive income, the changes in equity and its cash flows for the year ended on that date.

Basis for opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Ind AS Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Basis for Qualified Opinion

1. With Regards to non-receipt of Balance Confirmations

The company has sent balance confirmation letters to parties who are not covered in the register maintained under section 189 of the Companies Act, 2013, but in many of the cases the company have not received written confirmation confirming the balance outstanding as at March, 31, 2026. The details of the parties for whom the balance confirmation have not been received are as under:

TARAPUR TRANSFORMERS LTD

Sr.No .	Name of the Party	Amount in INR Lakhs	Dr./Cr .
1	Lamcotec SRL	64.20	Dr.

11	Security Deposit Haryana Vidyut Prasaran Nigam Limited -W-5	5.00	Dr.
12	Security Deposit - KSEB (Alappuzha)	1.33	Dr.
13	Asmi Developers	192.86	Dr.

Our opinion on the standalone financial results for the year ended 31 March 2025 was also qualified in respect of this matter

2. With Regards to Non-compliance of Ind AS 116 Leases.

Company is paying lease rental for its registered office and one property at Pali. The details of both the leases are as under :

Sr. No.	Name of the Lessor	Details of the Property	Tenure of Lease	Amount of Lease Paid during FY 2025-26 as per agreement	Amount of Lease Booked in P&L in 2025-26	Amount of Lease Payable during FY 2026-27	Interest Free Deposit Paid
1	Narendra Tiwari	S-112, Rajiv Gandhi Complex, Ekta Nagar, Kandivali (West), Mumbai - 400067	22 months	2,25,918.00	2,25,000.00	1,96,680.00	50,000.00
2	Sadanand Patil	Godown No.3, Sadanand Rice Mill, Behind Gram Sachivalaya, Vada – 421303, Vada Manor Road, Kanchad, Palghar	33 months	2,64,000	2,40,000	11,000	60,000

However as the lease term is more than 12 months in both the cases, the company needs to comply with Ind AS 116 and create a Right of Use of the leased Asset and a corresponding lease liability by discounting the lease rentals over the lease term with market rate of Effective Rate of Interest.

TARAPUR

TRANSFORMERS LTD

Further there is interest free deposit also being paid to the lessor which also needs to be bifurcated into fair value of lease and as per Ind AS 109, a financial asset component by discounting the deposit at the EIR prevailing in the market for similar kind of companies. This financial asset should form part of RoU which will get depreciated and on the other hand the interest income will be accrued on this financial asset. This entire accounting has not been done by the company and lease is being accounted for as usual by debiting the expense to P&L and the entire deposit being created as asset. Since the information regarding EIR, and amortization of the lease rentals during the lease term is not available, the quantification of the RoU and lease liability for the lease rentals and the fair value of deposit cannot be quantified

3. With regards to No documentation of Loans & Advances granted

Further in respect of loans granted, no documentation has been provided to us till date i.e. no loan agreements or MoUs has been provided to us for any of the loans granted which are either written off or still continuing in books. Our opinion on the standalone financial results for the year ended 31 March 2025 was also qualified in respect of this matter.

4. With Regards to breach of limits of section 186 of The Companies Act, 2013

The Company has advanced loans to parties of Rs. 457.77 lakhs (for which no provision is made) which is in excess of the limits prescribed under section 186 of the Companies Act, 2013. Details of the limits breached in terms of amount will be captured in the clause iv of the Companies (Auditor's Report) Order, 2020 forming Annexure-A of the detailed Audit Report to be attached along with annual report

5. Non-Compliance of section 194A of Income Tax Act, 1961

The Company has borrowed funds from a company named Abhivadan Properties Private Limited of Rs. 220.50 lakhs. The Balance as on March 31, 2026 is Rs. 247.52 lakhs and the interest provided for during the year is Rs. 33.67 lakhs on which the TDS as prescribed under section 194A @ 10% is not deducted and paid to the TDS Department. However, no TDS has been deducted on the interest provided. In light of the Income Tax Provisions, this interest will be disallowed and going by the effective tax rate applicable to the company of 25.17%, an amount of Rs. 10.10 lakhs will be disallowed and tax impact of the same will be Rs. 2.54 lakhs

6. With regards to Going Concern principal of the Company

The net worth of the Company i.e. Share Capital plus Reserves Plus Securities Premium is negative Rs. 186.21 lakhs/-. Due to negative net worth, a material uncertainty exists that casts a significant doubt on the ability of the Company to continue as a going concern. Further, the management has not provided any disclosures regarding this in the results, and hence this point is qualified.

7. With Regards to Contingent Liability

As stated in Note 7 to the accompanying standalone financial results and Note No.25 of the Financial statements, the Company's contingent liabilities as at 31 March 2026 include certain contingent liabilities aggregating to Rs. 959.71 lakhs pertaining to litigations pending with various authorities, for which the Company's management has not been able to provide necessary evidence in relation to probability of outflow of resources embodying economic benefits.

In the absence of sufficient appropriate audit evidence, we are unable to comment upon the appropriateness and classification of the aforesaid amounts as provision or contingent liabilities as at 31 March 2026 in accordance with Ind AS 37, "Provisions, Contingent Liabilities and Contingent Assets" and the consequential impact, if any, on the accompanying statements.

TARAPUR TRANSFORMERS LTD

8. With Regards to Non-provision of Interest

The Company had borrowed funds from Gaganbase Vincom of Rs.300/- lakhs in May 2024 @ 18% per annum rate of interest. However, the Company has not been providing interest since January 2025 onwards till March 31,2026 amounting to Rs. 67.50 lakhs . The Company has also not made any provision for penal interest claimed by Gaganbase. As a result the loss for the year ended 31st March 2026 is understated by Rs. 67.50 Lacs & current liabilities as at 31st March, 2026 are also understated by Rs. 67.50 Lacs and reserves are overstated by Rs. 67.50 Lacs. The amount of penal interest cannot be quantified as the details have not been received from Gaganbase. Further, Gaganbase has confirmed the balance outstanding as on March 31, 2026.

9. With Regards to No Physical Verification of Property, Plant & Equipment

The Company has not conducted any physical verification of property, plant & equipment during the year ended March 31, 2026. Pending physical verification report of the property, plant & equipment, we are unable to comment on the authenticity of the amounts appearing in the Fixed Asset Register maintained by the company in respect of property, plant and equipment with aggregate gross block of Rs.2286.31 lakhs and net block of Rs. 375.22 lakhs as at March 31, 2026.

Emphasis of Matters

10. We draw attention to Note No.8 of the accompanying statement, which relates to Ind-AS 105 – Non-Current Assets held for sale and discontinued Operations. As per this standard, if it is highly probable that the company will sell its Fixed Assets in next one year and immediate sale is possible in present condition, management is committed to sell the asset, active efforts are being made to find a buyer and asset is being marketed at reasonable price then the asset has to be re-classified as ‘Non-Currents held for Sale’ .

However, in this case, shareholders authorization was obtained during the AGM of FY 2024-25, So the condition of management is committed to sell the asset however, the other conditions are not being met i.e. as the factory Land and Building is currently mortgaged with Upsurge Investment & Finance Limited against the loan availed from them, so until the loan is repaid and the mortgage is satisfied, the land and building cannot be transferred and hence due to this condition not being met, the asset cannot be classified as Non-Current assets held for Sale.

11. As per the Loan Agreement of Upsurge Investment & Finance there was a repayment schedule being attached for repayment of principal and interest. However, on analysis and scrutiny of the ledger, it is observed that only the interest is being accrued and the repayment of principal is not being done. Further, Upsurge Investment & Finance has confirmed the balance outstanding as at March 31, 2026.

Qualified Opinion

In our opinion and to the best of our information and according to the explanations given to us, *except for the effects of the matters described in the basis for qualified opinion paragraph*, the aforesaid financial statements, give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, and its losses and its cash flows for the year ended on that date.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements for the financial year ended 31st March 2026. These matters were addressed in the context of our audit of the financial statements as a whole and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr	Key Audit Matters	Principal Audit Procedures
1.	<u>With regard to Provision made of debit balance of Choudhary Global Limited</u> The Company has made a provision for doubtful advances against the amount advanced to Choudhary Global Limited of Rs. 8.67 crores in FY 2024-25.	During Ledger Scrutiny of this ledger and analysis of P&L, it came to notice that provision has been made, however management informed that application u/s 7 of IBC, 2016 has been filed against this party with Hon'ble NCLT Mumbai bench on February 24, 2024. Based on this application made, the provision was made during FY 2024-25. During FY 2025-26, an amount of Rs.43.15 lakhs was received from this company
2.	<u>Charging of Interest on Loans Advanced & absence of documentation</u> It has been observed that there are no documentation in case of loans advanced. Further, as there is no documentation, there are no terms for loans advanced. In absence of agreement having terms and conditions, the company charges interest on an annual basis and not on quarterly basis	Ledgers of Parties to whom loans have been advanced are checked for chargeability of interest.
3.	<u>Absence of Proper Documentation and non-adherence to Terms of Borrowings</u> The Company majorly has 3 lenders as under: 1. Abhivadan Properties 2. Upsurge 3. Gaganbase Vincom Private Limited There is no documentation at all for the amount borrowed from Abhivadan Properties and hence the rate of Interest, repayment schedule etc cannot be ascertained	In absence of agreement with Abhivadan Properties, ledger scrutiny was performed along with obtaining balance confirmations from Abhivadan Properties. The TDS as per Income Tax, 1961 was not deducted and paid on the interest amount provided in the books of accounts. This Point is qualified
4.	<u>Absence of Proper CFO and accompanying team</u> There is neither Proper CFO being employed by the company nor a proper Accounts & Finance team being deployed for preparing the Financials Statements of the Company. The Person deployed for preparing the financial statements is not competent enough	While going through the financials prepared and interacting with the person deployed by the company for the job of preparing the financial statements, it was observed that a lot of mistakes were there in the ratios working, the rationale for movement in ratios was not mentioned correctly.
5.	<u>Lack of Financial & Accounting Knowledge of the Directors</u>	Interaction with the Directors was done during the board meetings

TARAPUR TRANSFORMERS LTD

While interacting with the Directors, it was observed that none of the Directors has adequate knowledge about Finance & Accounts, Secretarial Matters, etc.

We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our opinion on the accompanying financial statements.

Information other than the Ind AS Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the management discussion & analysis and director's report included in the annual report but does not include the Ind AS Financial Statements and our auditor's report thereon. The above information is expected to be made available to us after the date of this auditor's report.

Our opinion on the Ind AS Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS Financial Statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the Ind AS Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the other information, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and make other appropriate reporting as prescribed.

Management's Responsibility for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation and presentation of the Ind AS Financial Statements that give a true and fair view of the financial position, financial performance including cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards prescribed under Section 133 of the Act read with relevant rules issued there under. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility for the Audit of the Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Ind AS Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Ind AS financial statements, including the disclosures, and whether the Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public

TARAPUR

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' of our report of even date to the financial statements of the Company for the year ended March 31, 2026:

Report on the statement on the matters specified in the paragraph 3 and 4 of the Companies (Auditor's Report) Order, 2020:

On the basis of such checks as we considered appropriate and according to the information and explanations given to us during the course of our audit, we report that

- (i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant & equipment.
(a) (B) The Company does not have any intangible assets.

(b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company does not have a regular programme of physical verification of its property. In our opinion, there should be a programme of physical verification having regard to the size of the Company and the nature of its assets.

(c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties as disclosed in the financial statements are held in the name of the Company.

(d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued its property, plant and equipment during the year.

(e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated or pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
- (ii) (a) The inventory has not been physically verified by the management at reasonable intervals during the year. In respect of traded stock at Mumbai Head Office, the details of traded stock storage location is not available for our verification.

(b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company does have any sanctioned working capital limits from banks on the basis of security of current assets.
- (iii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has made investments, provided guarantee or security, granted loans or advances in the nature of loans to companies, firms, or any other parties.
 - (a) During the year the company has provided loans or provided advances in the nature of loans, or stood guarantee, or provided security to any other entity

** The amount of Rs.1845.69/- lakhs is gross without provision, there is provision of Rs.1,287.87/- lakhs against the loans given*

(b) The Company has conducted Non-Banking Financial activities without a valid certificate of Registration (CoR) from the Reserve Bank of India as per the Reserve Bank of India, 1934.

(c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, clause 3(xvi)(c) of the Order is not applicable.

(d) The Company is not part of any group (as per the provisions of the Core Investment Companies Directions, 2016 as amended). Accordingly, clause 3(xvi)(d) of the Order is not applicable.

(xvii) The Company has incurred cash losses in the current year of 207.99 lakhs against the profits in the immediately preceding financial year of 1688.26 lakhs (post considering effect of exceptional items)

(xviii) There has been no resignation of the statutory auditors during the year. Accordingly, clause 3(xviii) of the Order is not applicable.

(xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, it has come to our attention, which causes us to believe that there exists a material uncertainty as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. Below is the comparison of financial assets and financial liabilities existing as on the date of balance sheet date :

Financial Liabilities	Amount in Lakhs INR
Unsecured Loans Availed	861.20
Total Financial Liabilities	861.20
Financial Assets	
Unsecured Loans Provided	700.28
Total Financial Assets	700.28

TARAPUR TRANSFORMERS LTD

Difference/GAP	-160.92
-----------------------	---------

As can be observed from the above table, there is a deficit between the Total Financial Liabilities and Total Financial Assets as on the balance sheet date, which makes us believe about the non-capability of the company to meet its financial liabilities.

We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

- (xx) The requirement as stipulated by the provision of section 135 are not applicable to the company. Accordingly, clauses 3(xx)(a) and 3(xx)(b) of the Order are not applicable.
- (xxi) As there is no subsidiary, there is no need to prepare consolidated financial statements, so this clause is not applicable

ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 2 under ‘Report on Other Legal and Regulatory Requirements’ of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **TARAPUR TRANSFORMERS LIMITED** (“the Company”) as of 31st March 2026 in conjunction with our audit of the Ind AS Financial Statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the Ind AS Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS Financial Statements for

TARAPUR TRANSFORMERS LTD

external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Ind AS Financial Statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Qualified Opinion

According to the information and explanations given to us and based on our audit, the following weaknesses have been identified as at March 31, 2026.

- a) **The Company did not have an appropriate internal control system for inventory with regard to periodic verification of stock.**
- b) **The Company does not have proper legal team for drafting of legal documents and their execution.**
- c) **The Company does not have a CFO and a proper Finance & Accounts Team who is competent enough to look after the Accounts & Finance matters of the Company**
- d) **None of the Directors are competent enough in Finance & Accounts & Legal matters. All of the lack basic understanding of Accounts & Finance domain**

In our opinion, except for the possible effects of the weakness/qualifications described above the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2026

1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES -

A. Corporate Information

Tarapur Transformers Limited ("Company") is a public limited company incorporated and domiciled in India. Its shares are listed on Bombay Stock Exchanges and National Stock Exchange. The Registered office of Company is located at S 112, Rajiv Gandhi Commercial Complex, Ekta Nagar, Kandivali (W), Mumbai - 400067

The main activities of the Company are Manufacturing & Repairing, Power & Distribution of Transformers.

The financial statements for the Company were authorized for issue by Company's Board of Directors on May 27 2026.

B. Basis of Preparation

These financial statements of the Company have been prepared in all material aspects in accordance with Indian Accounting Standards (Ind AS) as per rule 4 of The Companies (Indian Accounting Standards) Rules, 2015 notified under section 133 of Companies Act, 2013 ('the Act') and other relevant Provisions of the Act.

These financial statements have been prepared on an accrual basis and under the historical cost basis, except for the following assets and liabilities which have been measured at fair value or revalued amount wherever applicable:

- Derivative financial instruments
- Certain financial assets measured at fair value
- Net defined benefit asset/liability at fair value of plan assets less present value of defined benefit obligations.

C. Current versus non-current classification:

The assets and liabilities in the balance sheet are presented based on current/non-current classification.

An asset is current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle, or
- Held primarily for the purpose of trading, or
- Expected to be realized within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when it is:

- Expected to be settled in normal operating cycle, or
- Held primarily for the purpose of trading, or
- Due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are treated as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities respectively.

Operating Cycle

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realization in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

D. Property, plant and equipment

Freehold land is carried at historical costs. All other items of property, plant and equipment are stated at cost less accumulated depreciation and impairment loss, if any.

Cost includes cost of acquisition, installation or construction, other direct expenses incurred to bring the assets to its working condition and finance costs incurred up to the date the asset is ready for its intended use and excludes Goods and Service Tax (GST) eligible for credit / setoff.

Such cost includes the cost of replacing part of the plant and equipment and borrowing costs for long-term construction projects if the recognition criteria are met. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in the statement of profit or loss as incurred.

Capital work-in-progress in respect of assets which are not ready for their intended use are carried at cost, comprising of direct costs, related incidental expenses and attributable interest.

All identifiable revenue expenses including interest incurred in respect of various projects / expansion, net of income earned during the project development stage prior to its intended use, are considered as pre - operative expenses and disclosed under Capital Work -in-Progress.

Capital expenditure on Property, Plant and Equipment for research and development is classified under property, plant and equipment and is depreciated on the same basis as other property, plant and equipment.

Property, plant and equipment are eliminated from standalone financial statements, either on disposal or when retired from active use. Losses arising in the case of the retirement of property, plant and equipment and gains or losses arising from disposal of property, plant and equipment are recognized in the statement of profit and loss in the year of occurrence.

The company depreciates property, plant and equipment over their estimated useful lives using written down value method.

The estimated useful lives of assets are as follows:

Buildings (other than factory buildings) – RCC Frame Structures	60 years
Buildings (other than RCC Frame Structure) and Factory Buildings	30 years
Other Plant and Machinery	15 years
Office equipment	5 years
Furniture and Fittings	10 years
Computers and data processing units	3 years
Vehicles (motor cars)	8 years

Depreciation methods, useful lives and residual values are reviewed periodically, including at each financial year end. Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value. Depreciation on the property, plant and equipment is provided on straight line method, over the useful life of the assets, as specified in Schedule II to the Companies Act, 2013. Property, plant and equipment which are added / disposed off during the year, depreciation is provided on pro-rata basis. Premium on Leasehold lands are amortized over the period of lease. Buildings constructed on leasehold land are depreciated based on the useful life specified in Schedule II to the Companies Act, 2013, where the lease period of the land is beyond the life of the building. In other cases, buildings constructed on leasehold lands are amortized over the primary lease period of the lands. The assets' residual values, useful lives and methods of depreciation are reviewed at each financial year end and adjusted prospectively, if appropriate. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

E. Intangible Assets

Intangible assets are recognized when it is probable that the future economic benefits that are attributable to the assets will flow to the Company and the cost of the assets can be measured reliably.

Intangible assets are stated at cost or acquisition less accumulated amortization and impairment loss, if any.

Internally generated intangibles, excluding capitalized development costs, are not capitalized and the related expenditure is reflected in Statement of profit and loss in the period in which the expenditure is incurred.

Software is amortized over their estimated useful life on straight line basis from the date they are available for intended use, subject to impairment test.

The amortization period and the amortization method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortization period or method, as appropriate, and are treated as changes in accounting estimates.

Gains or losses arising from derecognition of an intangible assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the assets is derecognised.

F. Financial Instruments:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial Assets: Classification:

The Company classifies financial assets as subsequently measured at amortized cost, fair value through other comprehensive income or fair value through profit or loss, on the basis of its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

Initial recognition and measurement:

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

Subsequent measurement:

For the purpose of subsequent measurement financial assets are classified in two broad categories:

- Financial assets at fair value (FVTPL / FVTOCI)
- Financial assets at amortized cost

When assets are measured at fair value, gains and losses are either recognized in the statement of profit and loss (i.e. fair value through profit or loss (FVTPL)), or recognized in other comprehensive income (i.e. fair value through other comprehensive income (FVOCI)).

Financial Assets measured at amortized cost (Net of write down for impairment, if any):

Financial assets are measured at amortized cost when asset is held within a business model, whose objective is to hold assets for collecting contractual cash flows and contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest. Such financial assets are subsequently measured at amortized cost using the effective Interest rate (EIR) method less impairment, if any. The losses arising from impairment are recognized in the Statement of profit and loss.

Financial Assets measured at Fair Value through Other Comprehensive Income ("FVTOCI"):

Financial assets under this category are measured initially as well as at each reporting date at fair value, when asset is held within a business model, whose objective is to hold assets for both collecting contractual cash flows and selling financial assets. Fair value movements are recognized in the other comprehensive income.

Financial Assets measured at Fair Value through Profit or Loss ("FVTPL"):

Financial assets under this category are measured initially as well as at each reporting date at fair value with all changes recognized in profit or loss.

Investment in Equity Instruments:

Equity instruments which are held for trading are classified as at FVTPL. All other equity instruments are classified as FVTOCI. Fair value changes on the instrument, excluding dividends, are recognized in the other comprehensive income. There is no recycling of the amounts from other comprehensive income to profit or loss.

Investment in Debt Instruments:

A debt instrument is measured at amortized cost or at FVTOCI. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVOCI, is classified as at FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of profit and loss.

Derecognition of Financial Assets:

A financial asset is primarily derecognized when the rights to receive cash flows from the asset have expired or the Company has transferred its rights to receive cash flows from the asset.

Impairment of Financial Assets:

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the financial assets that are debt instruments and trade receivables.

Financial Liabilities: Classification:

The Company classifies all financial liabilities as subsequently measured at amortized cost or FVTPL.

Initial recognition and measurement:

All financial liabilities are recognized initially at fair value and, in the case of loans, borrowings and payables, net of directly attributable transaction costs.

Financial liabilities include trade and other payables, loans and borrowings including bank overdrafts and derivative financial instruments.

Subsequent measurement:

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Interest-bearing loans and borrowings are subsequently measured at amortized cost using the Effective Interest Rate (EIR) method. Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as through EIR amortization process. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

Derecognition of Financial Liabilities:

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

Derivative Financial Instrument:

The Company uses derivative financial instruments, such as forward currency contracts to mitigate its foreign currency risks. Such derivative financial instruments are initially recognized at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

G. Inventories

Raw materials and packing materials are valued at lower of cost and the net realizable value, cost of which includes duties and taxes (net of Goods and Service Tax (GST) wherever applicable). Cost of imported raw materials and packing materials lying in bonded warehouse includes customs duty. Finished products including traded goods and work-in-progress are valued at lower of cost and net realizable value. Cost is arrived on moving weighted average basis.

The cost of Inventories have been computed to include all cost of purchases, cost of conversion, appropriate share of fixed production overheads based on normal operating capacity and other related cost incurred in bringing the inventories to their present condition.

Net realizable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and selling expenses.

Slow and non-moving material, obsolesces, defective inventory are fully provided for and valued at net realizable value.

Goods and materials in transit are valued at actual cost incurred up to the date of balance sheet. Materials and other items held for use in production of inventories are not written down, if the finished products in which they will be used are expected to be sold at or above cost.

H. Cash And Cash Equivalent

Cash and Cash Equivalents comprise of cash on hand and cash at bank including fixed deposit/ highly liquid investments with original maturity period of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

I. Cash Flow Statement

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flow from operating, investing and financing activities of the Company are segregated.

J. Foreign Currency Transactions

Revenue Transactions denominated in foreign currencies are normally recorded at the exchange rate prevailing on the date of the transaction.

Monetary items denominated in foreign currencies at the year-end are re-measured at the exchange rate prevailing on the balance sheet date. Non-monetary foreign currency items are carried at cost.

Any income or expense on account of exchange difference either on settlement or on restatement is recognized in the Statement of Profit and Loss.

K. Revenue Recognition

Revenue from sale of goods is recognized, when all significant risks and rewards are transferred to the buyer, as per the terms of contracts and no significant uncertainty exists regarding amount of the consideration that will be derived from the sale of goods.

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made.

Revenue is measured at the fair value of the consideration received or receivable. Amount disclosed as revenue are inclusive of excise duty, excluding Goods and Service tax (GST) collected on behalf of the government, and net of returns, trade discount/allowances, rebates, and amounts collected on behalf of third parties.

Revenue from sale of technology / know how (rights, licenses and other intangibles) are recognized when performance obligation is completed as per the terms of the agreement. Incomes from services are recognized when services are rendered.

Dividend income is recognized when right to receive dividend is established. Interest income is recognized on time proportion basis. Insurance and other claims are recognized as a revenue on certainty of receipt on prudent basis. Export benefits available under prevalent schemes are accounted to the extent considered receivable.

L. Employee Benefits

All employee benefits payable wholly within twelve months rendering service are classified as short term employee benefits. Benefits such as salaries, wages, short-term compensated absences, performance incentives etc., and the expected cost of bonus, ex-gratia are recognized during the period in which the employee renders related service.

M. Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

N. Lease

The determination of whether an arrangement is, or contains, a lease is based on the substance of the arrangement at the inception date, whether fulfillment of the arrangement is dependent on the use of a specific asset or assets or the arrangement conveys a right to use the asset, even if that right is not explicitly specified in an arrangement.

Assets acquired on leases where a significant portion of the risks and rewards of ownership are retained by lessor are classified as operating leases. Leases rentals are charged to the statement of profit and loss on straight line basis.

O. Government Grants

Government grants are initially recognized as deferred income at fair value if there is reasonable assurance that they will be received reasonable assurance that they will be received associated with the grant;

- In case of capital grants, they are then recognized in Standalone Statement of Profit and Loss as other income on a systematic basis over the useful life of the asset.
- In case of grants that compensate the Company for expenses incurred are recognized in Standalone Statement of Profit and Loss on a systematic basis in the periods in which the expenses are recognized.
Export benefits available under prevalent schemes are accrued in the year in which the goods are exported and there is no uncertainty in receiving the same.

P. Earnings Per Share

Basic Earnings per equity share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares outstanding during the period. Diluted earnings per equity share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

Q. Income Taxes

Income tax expense comprises current and deferred income tax. Income tax expense is recognized in net profit in the statement of profit and loss except to the extent that it relates to items recognized directly in equity, in which case it is recognized in other comprehensive income. Current income tax for current and prior periods is recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted by the balance sheet date. Deferred income tax assets and liabilities are recognized for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of changes in tax rates on deferred income tax assets and liabilities is recognized as income or expense in the period that includes the enactment or the substantive enactment date. A deferred income tax asset is recognized to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilized. The company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Minimum Alternate Tax ('MAT') credit is recognized as deferred tax asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the period for which the MAT credit can be carried forward for set-off against the normal tax liability. MAT credit recognized as an asset is reviewed at each Balance Sheet date and written down to the extent the aforesaid convincing evidence no longer exists.

R. Dividends to Shareholders

Annual dividend distribution to the shareholders is recognized as a liability in the period in which the dividends are approved by the shareholders. Any interim dividend paid is recognized on approval by Board of Directors. Dividend payable and corresponding tax on dividend distribution is recognized directly in equity.

S. Provisions, Contingent Liabilities, Contingent Assets and Commitments General

Provisions (legal or constructive) are recognized when the Company has a present obligation (legal or constructive) as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made.

Provisions (excluding retirement benefits and compensated absences) are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

If there is any expectation that some or all of a provision to be reimbursed, the reimbursement is recognized as a separate asset but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any virtually certain reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risk specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Contingent liability is disclosed in the case of:

- a present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation;
- a present obligation arising from past events, when no reliable estimates is possible;
- a possible obligation arising from past events, unless the probability of outflow of resources is remote.

Contingent liabilities are not recognized in the standalone financial statements. Contingent assets are neither recognized nor disclosed in the financial statements.

Commitments include the amount of purchase order (net of advances) issued to parties for completion of assets and Non-cancellable operating lease.

Provisions, contingent liabilities, contingent assets and commitments are reviewed at each balance sheet date

Asset Retirement Obligation

Asset retirement obligations (ARO) are provided for those operating lease arrangements where the Company has a binding obligation at the end of the lease period to restore the leased premises in a condition similar to inception of lease. ARO are provided at the present value of expected costs to settle the obligation using discounted cash flows and are recognized as part of the cost of that particular asset. The cash flows are discounted at a current pre-tax rate that reflects the risks specific to the decommissioning liability. The unwinding of the discount is recognized in the income statement as a finance cost. The estimated future costs of decommissioning are reviewed annually and adjusted as appropriate. Changes in the estimated future costs or in the discount rate applied are added to or deducted from the cost of the asset.

T. Fair Value Of Financial Instruments

The Company measures financial instruments at fair value in accordance with the accounting policies mentioned above. Fair value is the price that would be received to sell an assets or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In determining the fair value of its financial instruments, the Company uses a variety of methods and assumptions that are based on market conditions and risks existing at each reporting date. The methods used to determine fair value include discounted cash flow

analysis, available quoted market prices and dealer quotes. All methods of assessing fair value result in general approximation of value, and such value may never actually be realized.

For financial assets and liabilities maturing within one year from the balance sheet date and which are not carried at fair value, the carrying amounts are more or less equal to the fair value due to the short maturity of these instruments.

U. Recent accounting pronouncements Standards issued but not yet effective

The Ministry of Corporate Affairs in March 2018 has re-notified Ind AS 115, Revenue from Contracts with Customers. Earlier, this Standard was omitted and two other standards, Ind AS 11, Construction Contracts and Ind AS 18, Revenue had been notified in its place. Now, after re-notification of Ind AS 115, Ind AS 11 and Ind AS 18 would be redundant. Ind AS 115 deals with recognition of revenue arising from sale of goods, rendering of services, interest, royalties and construction contracts. It is a converged form of IFRS 15, Revenue from Contracts with Customers. Ind AS 115 shall be applied from financial years beginning on or after 1st April, 2018.

These amendments are not expected to have any impact on the Company.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2026

24. Financial Instruments

1) Capital Management

The primary objective of the Company's capital management is intended to maximise the return to shareholders for meeting the long-term and short-term goals of the Company through the optimization of the debt and equity balance. The Company is monitoring capital using debt equity ratio as its base which is debt to equity. For the purpose of capital management, capital includes issued equity capital, securities premium and all other reserves attributable to the equity shareholders of the Company. Net debt includes all long and short-term borrowings (including current maturities of long term debt) as reduced by cash and cash equivalents.

Debt-to-equity ratio are as follows:

Particular	March 31, 2026	March 31, 2025
Debt (A)	86120147	103087747
Equity (B)	(18620794)	6361002
Debt to Equity Ratio (A/B)	(4.62)	16.21

2) Financial Risk Management Objective And Policies

The Company is exposed to market risk, credit risk and liquidity risk. Risk management is carried out by the company under policies approved by the board of directors. The Company's documented risk management policies are effective tool in mitigating the various financial risk to which the business is exposed to in the course of daily operations This Risk management plan defines how risks associated with the Company will be identified, analysed, and managed. It outlines how risk management activities will be performed, recorded, and monitored by the Company. The basic objective of risk management plan is to implement an integrated risk management approach to ensure all significant areas of risks are identified, understood and effectively managed, to promote a shared vision of risk management and encourage discussion on risks at all levels of the organisation to provide a clear understanding of risk/benefit trade-offs, to deploy appropriate risk management methodologies and tools for use in identifying, assessing, managing and reporting on risks, and to determine the appropriate balance between cost and control of risk and deploy appropriate resources to manage/optimize key risks. Activities are developed to provide feedback to management and other interested parties (e.g. Audit committee, Board etc.). The results of these activities ensure that risk management plan is effective in the long term

a) Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprise three types of risk: foreign currency rate risk, interest rate risk and other price risks, such as equity price risk and commodity risk.

i) Foreign Exchange Risk and Sensitivity

Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the Company's operating activities. Currently, the Company does not have any transaction in Foreign Currencies.

ii) Interest Rate Risk and Sensitivity

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates .In order to optimize the Company's position with regards to interest expenses and to manage the interest rate risk treasury performs a comprehensive corporate interest rate risk management by balancing the proportion of fixed rate and floating rate financial instruments in its total portfolio.

iii) Commodity Price Risk

The Company is engaged in manufacturing of power / distribution transformers and its repairing work. We are consuming mainly copper, electrical steel, transformer oil and M S steel and company does not hedges the prices. Commodity price risk arises due to fluctuation in prices of metal products. The Company mitigate the risk by natural hedge as any increase/ decrease in materials price directly reflect the changes in finished goods price.

b) Credit Risk

Credit risk is the risk that a counter party will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk for trade receivables, other bank balances, loans, other financial assets and financial guarantees.

i) Trade Receivables

The Company extends credit to customers in normal course of business. The Company considers factors such as credit track record in the market and past dealings with the Company for extension of credit to customers. The Company monitors the payment track record of the customers. Outstanding customer receivables are regularly monitored.

ii) Bank Balances

The Company seeks to limit its credit risk with respect to banks by only dealing with reputable banks.

c) Liquidity Risk

Liquidity risk is the risk that the Company may not be able to meet its present and future cash and collateral obligations without incurring unacceptable losses. The Company's objective is to, at all times, maintain optimum levels of liquidity to meet its cash and collateral requirements. The Company limits its liquidity risk by ensuring funds from trade receivables.

i) Fair value hierarchy

This section explains the judgments and estimates made in determining the fair values of the financial instruments that are (a) recognized and measured at fair value and (b) measured at amortized cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

Financial assets and liabilities measured at fair value	As at March 31,2026			As at March 31, 2025		
	Level 1	Level 2	Level 3	Level 1	Level 2	Level 3
Equity instruments	-	-	-	19.86	-	-
Total	-	-	-	19.86	-	-

Financial assets and liabilities measured at amortised cost	As at March 31,2026			As at March 31, 2025		
	Level 1	Level 2	Level 3	Level 1	Level 2	Level 3
Equity instruments	-	-	-	19.86	-	-
Cash and cash equivalents	-	-	7.53	-	-	14.72
Other Bank balance	-	-	23.84	-	-	21.36
Other financial assets	-	-	700.28	-	-	669.23
Total financial assets	-	-	731.65	19.86	-	705.31
Borrowings	-	-	861.20	-	-	1030.88
Trade payables	-	-	7.17	-	-	4.78
Total financial liabilities	-	-	868.37	-	-	1035.66

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments that have quoted price. The fair value of all equity instruments which are traded in the stock exchanges is valued using the closing price as at the reporting period

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity specific estimates. The Company has mutual funds for which all significant inputs required to fair value an instrument falls under level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities and unlisted preference shares are included in level 3.

**There are no transfers between levels 1, 2 and 3 during the year

(ii) Valuation technique used to determine fair value

Specific valuation techniques used to value financial instruments include: Investments in quoted equity instruments are valued using the closing price at BSE Ltd. at the reporting period.

(iii) Fair value of Financial assets and liabilities measured at amortised cost

	As at March 31, 2026		As at March 31, 2025	
	Carrying Amount	Fair Value	Carrying Amount	Fair Value
Financial assets				
Equity Instruments in Subsidiary	0.00	0.00	19.86	19.86

- 38 The Company has filed an application U/S 7 of IBC, 2016 with NCLT Mumbai Bench for initiating Corporate Insolvency Resolution Process against Choudhary Global Limited for outstanding amount of Rs. 8,66,50,000/- and hence the Management has decided to create a 'provision for bad and doubtful advances' of Rs. 8,66,50,000/- However the party repaid Rs. 4315000/- so accordingly the provision was written back to that extent.
- 39 Karnataka Power Transmission Corporation Ltd has filed money suits with District & session Judge, Mysore for Recovery of Rs. 2,97,07,710/- from the Company. The Liability for the above amount has been provided by the company in earlier Financial Years. Further more orders have been received from Bangalore based court for Recovery of Rs. 5,66,05,645/-
- 40 Bilpower Limited which holds 3994000 shares of the company is under Liquidation. Further Bilpower Limited had pledged 2822460 no of equity shares with Comfort Intech Limited and 1600000 no of equity shares with Comfort Fincap Limited and the same were invoked.
- 41 The Company had taken authorization from the Shareholders for sale of Factory Land & Building located at Plot No.141 located at Pali, Wada. However, as the Land & Building is not possible immediately in present condition as the same is mortgaged with Upsurge Investment & Finance Limited against the loan availed by the Company. So, although the authorization has been obtained, the ability to sell the asset is not there, so the asset has not been classified as "Non-Current Asset held for Sale"
- 42 Subsequent to the reporting date, the Securities and Exchange Board of India ("SEBI") vide its order dated August 31, 2026, in the matter of Tarapur Transformers Limited ("the Company"), has, inter alia, restrained the Company from accessing the securities market and from buying, selling or otherwise dealing in securities, directly or indirectly, or being associated with the securities market in any manner, for a period of three years from the date of the said order. The said order also clarifies that the directions shall not restrain or prohibit any restructuring or reorganisation or conduct of business involving infusion of funds by way of loan or issuance of debt securities or equity on private placement basis to promoters, directors or other informed investors.
The monetary penalties specified in the said order have been imposed on certain other Noticees and no monetary penalty has been imposed on the Company. The Company is evaluating the implications of the said order and the appropriate

course of action. Since the order was passed subsequent to the reporting date, no adjustment has been made in the financial statements for the year ended March 31, 2026, in respect of the aforesaid order.

- 43 Some of the Creditors / Debtors / Loans / Advances are subject to Confirmations and resultant reconciliation, if any.
- 44 In terms of the requirements of the Indian Accounting Standards-36 on "Impairment of Assets" issued by the Institute of Chartered Accountants of India, the amount recoverable against Fixed Assets has been estimated for the period by the management based on present value of estimated future cash flows expected to arise from the continuing use of such assets. The recoverable amount so assessed was found to be adequate to cover the carrying amount of the assets, therefore no provision for impairment in value thereof has been considered necessary, by the management.
- 45 As per the best estimate of the management, no provision is required to be made as per Indian Accounting Standard (Ind AS) 37 "Provision, Contingent Liabilities & Contingent Assets", in respect of any present obligation as a result of a past event that could lead to a probable outflow of resources which would be required to settle the obligation.
- 46 The disclosure requirements about any transactions not recorded in the books of accounts that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act 1961 (such as search or surveyor any other relevant provision of Income Tax Act 1961) is not applicable to the company.
